PROFESSIONAL SUMMARY

Motivated Computer Science student at Albukhary International University with a strong academic foundation in Data Science, Artificial Intelligence, and web development. Brings hands-on experience in learner-centred instruction and student mentorship, with multiple international certifications and active engagement in STEM education and sustainability initiatives.

EDUCATION

Bachelor of Science in Computer Science

Albukhary International University

Expected 2029

Diploma of Mathematical Studies

Farhang Sara-e-Kankor Educational Center

2025

Grade: 94/100

Pre-STEM Program

Creighton University

Completed 2024

CGPA: 3.33/4.00

TECHNICAL SKILLS

Programming Languages

Python, C, Java, R

Web Technologies

HTML, CSS

CS & Data Science

Data Science, Artificial Intelligence, Machine Learning, Data Analysis

Research

Academic Research, Publication Skills

LEADERSHIP & PROFESSIONAL EXPERIENCE

STEM_CORE Club Leader

3ZERO Club, Albukhary International University | 2026 – Present

- Lead a student-run STEM club focused on practical project-based learning and technology education.
- Design and coordinate mentorship programmes and workshops to broaden STEM access among peers.

GEL (Global English Language) Trainer

Jesuit Worldwide Learning | Sep 2022 – Apr 2024

- Facilitated English language learning for diverse groups through learner-centred instruction.
